

Chief, Administrative Staff, ORR

10 June 1958

Chief, Geographic Research

Justification for #1 Badges for Geography Division Personnel

1. It is anticipated that the following-named personnel will require admittance to the Restricted Area on a daily basis, in fulfilling their responsibilities with the Geography Division in the field of Special Intelligence:

25X1A9a

2. Locations to be visited regularly by these personnel are exclusively in M Building [namely 2122 M (St/C) and 2318 M (D/CG room)]. Also, the Geographic Area's only component located within the Restricted Area -- the Special Support Branch of the Cartography Division -- is located in 2040 M.

3. Because of the frequency of visits and location of rooms to be visited, it is requested that #1 badges be authorized and issued to the above-named personnel.

4. It is further requested that, in future, Geography Division personnel be issued numbered badges as soon as they are cleared for SI.
